Clients' successes Rotterdam World Gateway (RWG), one of Europe's most advanced fully automated container terminals, is accelerating the ongoing expansion of the capacity of its container terminal in Rotterdam. Backed by a tailored financing package, this project will increase handling capacity and help address sustained congestion at the Port of Rotterdam. Societe Generale... Supporting the expansion of a leading European container terminal 07 Sep 2026 Unlocking the potential of sustainability-linked loans in agrifood Despite a broader slowdown in sustainability-linked loan (SLLs) volumes, the agrifood sector remains a notable... Expert views Despite a broader slowdown in sustainability-linked loan (SLLs) volumes, the agrifood sector remains a notable exception. For agrifood companies, SLLs offer a relevant way to finance transition where it matters most: across operations, supply chains and day-to-day practices. By linking financing conditions to measurable performance across complex value chains,... Unlocking the potential of sustainability-linked loans in agrifood 28 Jul 2026 Natural Resources Financing Offering a full range of finance and advisory services supported by a strong sectorial expertise.
