Persons who receive this document are obliged to comply with the above indications.

Valuation Methodology

Trading Ideas are based on the market's expectations, investors' positioning and technical, quantitative or qualitative aspects. They take into account the key macro and market events and to what extent they have already been discounted in yields and/or market spreads. They are also based on events which are expected to affect the market trend in terms of yields and/or spreads in the short-medium term. The Trading Ideas may refer to both cash and derivative instruments and indicate a precise target or yield range or a yield spread between different market curves or different maturities on the same curve. The relative valuations may be in terms of yield, asset swap spreads or benchmark spreads.

Coverage Policy and Frequency of Research Reports

Intesa Sanpaolo SpA trading ideas are made in both a very short time horizon (the current day or subsequent days) or in a horizon ranging from one week to three months, in conjunction with any exceptional event that affects the issuer's operations.

Disclosure of potential conflicts of interest

Intesa Sanpaolo SpA and the other companies belonging to the Intesa Sanpaolo Banking Group (jointly also the "Intesa Sanpaolo Banking Group") have adopted written guidelines "Organisational, management and control model" pursuant to Legislative Decree 8 June, 2001 no. 231 (available at the Intesa Sanpaolo SpA website, webpage <https://group.intesasnpaolo.com/en/governance/leg-decree-231-2001>) setting forth practices and procedures, in accordance with applicable regulations by the competent Italian authorities and best international practice, including those known as Information Barriers, to restrict the flow of information, namely inside and/or confidential information, to prevent the misuse of such information and to prevent any conflicts of interest arising from the many activities of the Intesa Sanpaolo Banking Group which may adversely affect the interests of the customer in accordance with current regulations.

In particular, the description of the measures taken to manage interest and conflicts of interest – in accordance with Articles 5 and 6 of the Commission Delegated Regulation (EU) 2016/958 of 9 March 2016 supplementing Regulation (EU) No. 596/2014 of the European Parliament and of the Council with regard to regulatory technical standards for the technical arrangements for objective presentation of investment recommendations or other information recommending or suggesting an investment strategy and for disclosure of particular interests or indications of conflicts of interest as subsequently amended and supplemented, the FINRA Rules 2241 and 2242 as applicable, as well as the FCA Conduct of Business Sourcebook rules COBS 12.4 - between the Intesa Sanpaolo Banking Group and issuers of financial instruments, and their group companies, and referred to in research products produced by analysts at Intesa Sanpaolo SpA is available in the "Rules for Research" and in the extract of the "Corporate model on the management of inside information and conflicts of interest" published on the website of Intesa Sanpaolo SpA, webpage <https://group.intesasnpaolo.com/en/research/RegulatoryDisclosures>.

As for the disclosures, please note that one or more of the companies of Intesa Sanpaolo Banking Group:

- trade or may trade as a principal in the securities (or in related derivatives) that are the subject in this report;
- plan to solicit investment banking business or intend to seek compensations from the securities that are the subject of this report in the next three months.

Furthermore, in accordance with the aforesaid regulations, the specific company-related disclosures of the Intesa Sanpaolo Banking Group's interests and conflicts of interest are available through webpage <https://group.intesasnpaolo.com/en/research/RegulatoryDisclosures/archive-of-intesa-sanpaolo-group-s-conflicts-of-interest>. The conflicts of interest published on the internet site are updated to at least the day before the publishing date of this report.

Intesa Sanpaolo SpA acts as market maker in the wholesale markets for the government securities of the main European countries and also acts as Government Bond Specialist, or in comparable roles, for the government securities issued, among others, by the Republic of Italy.
