From the firm that brought you “Affiliated” & “Related Party” Assets, Alternatives Portfolio Spotlight & Asset Portfolio Compendium Athene: In Context is a new video series that explains the promise of guaranteed lifetime income, how it's backed, and why it matters for millions of Americans counting on it.

Each episode, Mike Downing sits down with the experts across Apollo and Athene for a straightforward conversation. Think of it as the definitive guide to insurance, with a bit more context. From debunking myths about “PE ownership” to the difference between affiliated and related party assets, to an inside look at the industry-leading transparency and the fortress balance sheet behind it all — this is the Apollo and Athene machine, told from the inside.
