Markets Edition: Unpacking Europe's Equity Rebound

Citi · 2026-08-18 · English original

KEY TAKEAWAYS

Is Europe becoming the AI hedge investors didn't know they needed?Beata Manthey and David Groman explore that in the latest Research @ Citi Markets Edition podcast as they discuss why they remain constructive on global equities, what is driving the broadening of market performance beyond a handful of winners, and why Europe may be particularly well-positioned.
